Classroom Info:

Reading & Writing

Our week was filled with Halloween reading and writing. Students enjoyed listening to Halloween books including The Little Old Lady Who Wasn't Afraid of Anything, The Big Pumpkin, When Itchy Witchy Sneezes and The Teeny Tiny Ghost. We completed activities after reading from these festive stories all in the name of Halloween 😊

Math:

We wrapped up Unit 2 in math this week and practiced some of our skills through some Halloween math activities. We will move on to Unit 3 next week.

Social Studies/Science:

We have completed a neighborhood map and understood aerial perspective views. We have also enjoyed our informational readings from Scholastic magazine as well that have been about pumpkins, skeletons and spiders! Eek!

Collins' Comments:

- **Conferences:** Date and time forms are in Boomerangs today. Please let me know if there is a time conflict with your scheduled conference.
- **Homework Packet/Spelling Test:** There is **NO homework packet OR spelling test for the week of 11/2** as we have a shortened week due to Election Day.
- **Thanks in advance to the parents and amazing room moms** for all the planning & donations for our classroom Halloween party. Our first grade is so lucky to have all the love and support!

Don't forget! We gain an hour this weekend. Happy sleeping ☺

Have a great weekend!
