

## Valentine's Day Mailbox Project

**Due: Thursday, Feb. 11<sup>th</sup>**

Your child will need to make a Valentine's Day mailbox to hold all of their cards. Help your child be creative with their work! This is something you can work on together over the next couple of weeks & when it's convenient for you. You can send in mailboxes once they're completed – I'll store them in the room until party day (2/12 @ 2:00-3:15pm).

- ♥ Have your child print **their name only** on the Valentine's Day cards
- ♥ Place Valentine's Day **cards in a plastic baggie** with your child's name written on the bag
- ♥ Place the card baggie **inside** of the Valentine's Box
- ♥ Send boxes back to school by **Feb. 11<sup>th</sup>** so your child will have it for the party
- ♥ Please be sure the box opening is large enough to hold larger treats
- ♥ We have **20 students** in our class

If you and/or your child would like to pass out special things (stickers, pencils, suckers, candies) with their Valentine's Day cards you may, but it's not required.

Thanks in advance for your help with this fun project!
